by which I mean a month

happy belated new years y'all! idk if anyone remembers me but hi, I'm Miri, I was semi-active for a while and then yeeted off, and now I'm on again, I suppose. anyway, I have approximately 0 idea what's going on nowadays so if anyone could do me a favour and tell me what's going on, that would be nice

thank you, I still love y'all even if I've never met half of you
